|--------------------|----------------|--|
| Function           | Signal OUT     |  |
|                    | Voltage supply |  |
| Type of connection | Connector      |  |
| Thread size        | M8             |  |
| Туре               | Male           |  |
| Material           | Metal          |  |
| No. of pins        | 4 -pin         |  |

### **Mechanical data**

| Dimension (W x H x L)      | 11.4 mm x 34.2 mm x 18.3 mm  |
|----------------------------|------------------------------|
| Housing material           | Plastic, PC-ABS              |
| Lens cover material        | Plastic / PMMA               |
| Net weight                 | 10 g                         |
| Housing color              | Red                          |
| Type of fastening          | Two M3 threaded sleeves      |
|                            | Via optional mounting device |
| Compatibility of materials | ECOLAB                       |

### **Operation and display**

| Type of display                     | LED                    |
|-------------------------------------|------------------------|
| Number of LEDs                      | 2 Piece(s)             |
| Operational controls                | 270° potentiometer     |
| Function of the operational control | Sensitivity adjustment |

## Environmental data

| Ambient temperature, operation | -40 60 °C |
|--------------------------------|-----------|
| Ambient temperature, storage   | -40 70 °C |

### Certifications

| Degree of protection | IP 67         |
|----------------------|---------------|
|                      | IP 69K        |
| Protection class     | III           |
| Certifications       | c UL US       |
| Standards applied    | IEC 60947-5-2 |

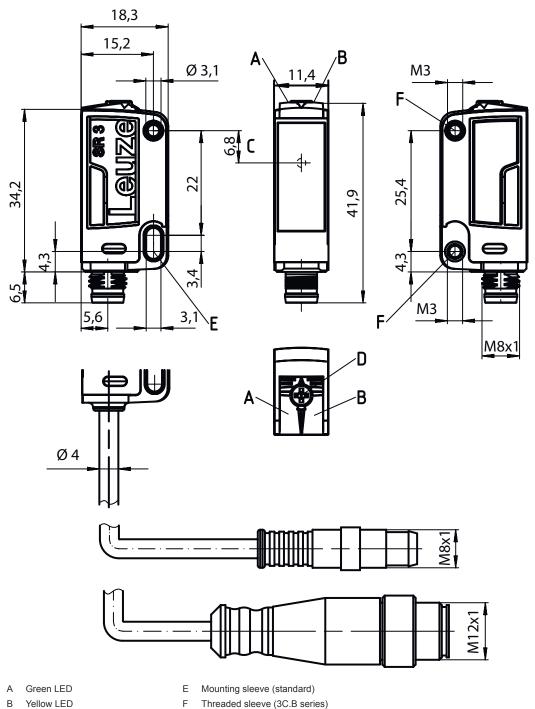

### Classification

| Customs tariff number | 85365019 |  |
|-----------------------|----------|--|
| eCl@ss 8.0            | 27270901 |  |
| eCl@ss 9.0            | 27270901 |  |
| ETIM 5.0              | EC002716 |  |
| ETIM 6.0              | EC002716 |  |

| Note |  |

A list with all available device types can be found on the Leuze website at www.leuze.com.

## Notes

|                       | Observe intended use!   |
|-----------------------|---|
| $\mathbf{\mathbf{A}}$ | by This product is not a safety sensor and is not intended as personnel protection. |
|                       | ✤ The product may only be put into operation by competent persons.                  |
| <u>·· \</u>           | ✤ Only use the product in accordance with its intended use.                         |
|                       |   |

## For UL applications:

 For UL applications, use is only permitted in Class 2 circuits in accordance with the NEC (National Electric Code).
 These proximity switches shall be used with UL Listed Cable assemblies rated 30V, 0.5A min, in the field installation, or equivalent (categories: CYJV/ CYJV7 or PVVA/PVVA7)

## **Further information**

- · The push-pull switching outputs must not be connected in parallel.
- · Response time: For short decay times, an ohmic load of approx. 5kOhm is recommended
- Sum of the output currents for both outputs, 50 mA for ambient temperatures > 40  $^\circ\text{C}$

## Accessories

## Connection technology - Connection cables
